Uzbek

PROFILE

Hello, my name is Muhammad. I was born in 2002 in Namangan region. I live in Tashkent now. I attended PDP Academy in 2023 and graduated in 2024. I am known for my honesty and straightforwardness.

WORK EXPERIENCE

- Freelancer
- January 2024 - Present
- Developed and launched a complex online store project, integrating modern e-commerce solutions. 2024
- Utilized React and TypeScript to create a high-level interactive user interface.
- Ensured code quality and data management through effective use of TailwindCSS and other tools.
- Key Projects:
- E-commerce Platform:
- Designed and developed a full-featured e-commerce platform using React and Redux.
- Implemented responsive UI components with TailwindCSS.
- Integrated payment gateways and user authentication modules.
- Interactive Dashboard:
- Built an interactive admin dashboard for data visualization using React and Chart.js.
- Enhanced performance and user experience through code optimization and effective state management. 2024
- PDP Practicum
- February 2023 - December 2023
- Participated in an intensive practicum focused on frontend development.
- Collaborated on multiple projects, gaining hands-on experience with modern web technologies and agile methodologies.
- Key Contributions:
- Real-time Chat Application:
- Developed a real-time chat application using Socket.io and React.
- Implemented features like user authentication, message notifications, and chat room management.
- Project Management Tool:
- Created a project management tool with task tracking, team collaboration features, and timeline management.
- Utilized Vue.js and Vuetify for an intuitive and responsive user interface.
